EDITORIAL POLICY

All statements of opinion and of supposed fact are published under the authority of the authors, including editorials and letters. They are not to be accepted as the views of the American Dental Association or its subsidiaries unless such statements have been expressly adopted by the Association. Articles are accepted with the understanding that they have not been published previously and that they are submitted solely to The Journal. Information on any products mentioned may be available from the authors. Neither the American Dental Association nor any of its subsidiaries has any financial interest in any products mentioned in editorial content, and The Journal requires all authors to disclose any financial or other interests they may have in products or services described in their articles.

ADVERTISING POLICY

For all advertising inquiries, please contact the advertising sales team at ADASales@conexiant.com; John DuPont, Senior Vice President, Sales, Conexiant, 400 N. Ashley Drive, Suite 2600, Tampa, FL 33602, email John.DuPont@conexiant.com; and Sumner Mering, Director of Commercial Sales, Elsevier Inc., 230 Park Avenue, Suite 700, New York, NY 10169, phone 1-267-252-7259, email s.mering@elsevier.com. All advertising appearing in ADA publications must comply with official published advertising standards of the American Dental Association. The publication of an advertisement is not to be construed as an endorsement or approval by the American Dental Association or any of its subsidiaries, councils, commissions or bureaus of the product or service being offered in the advertisement unless the advertisement specifically includes an authorized statement that such approval or endorsement has been granted. A copy of the advertising standards of the American Dental Association is available on request. Classified Advertising, Ariel Medina, Elsevier, 230 Park Ave, New York, NY 10169, phone 1-212-633-3689, cell 1-516-232-3905.

PERMISSIONS POLICY

© 2024 The American Dental Association holds the copyright for articles published in The Journal. The Journal and the individual contributions contained in it are protected under copyright, and the following terms and conditions apply to their use in addition to the terms of any Creative Commons or other user license that has been applied by the American Dental Association to an individual article:

Photocopying

Single photocopies of single articles may be made for personal use as allowed by national copyright laws. Authorization is required for all other photocopying, including multiple or systematic copying, copying for advertising or promotional purposes, resale, and all forms of document delivery. Special rates are available for educational institutions that wish to make photocopies for nonprofit educational classroom use. To obtain permission using the Copyright Clearance Center's RightsLink service, please click on the "© Request" icon at the top right of the article's page at https://jada.ada.org. For questions about using the RightsLink service, please contact Customer Support at 1-877-622-5543 (toll free) or 1-978-777-9929 or email customercare@copyright.com. The Journal's number is 0002-8177. Permission is not required for photocopying of articles published under the CC BY license nor for photocopying for noncommercial purposes in accordance with any other user license applied by the publisher (CC BY-NC-ND).

Reprints

Requests to order reprints or electronic reprints for commercial use in quantities of 100 or more, please contact Derrick Imasa at d.imasa@elsevier.com or 1-212-633-3874.

Derivative Works

Users may reproduce tables of contents or prepare lists of articles including abstracts for internal circulation within their institutions or companies. Other than for articles published under the CC BY license, permission of the publisher is required for resale or distribution outside the subscribing institution or company. For any subscribed articles or articles published under a CC BY-NC-ND license, permission of the publisher is required for all other derivative works, including compilations and translations.

Storage or Usage

Except as outlined above or as set out in the relevant user license, no part of this publication may be reproduced, stored in a retrieval system or transmitted in any form or by any means, electronic, mechanical, photocopying, recording or otherwise, without prior written permission of the publisher.

Permissions

For information on how to seek permission visit www.elsevier.com/permissions.

Author Rights

Author(s) may have additional rights in their articles as set out in their agreement with the publisher (more information at http://www.elsevier.com/authorsrights).

Notice

No responsibility is assumed by the publisher or the American Dental Association for any injury and/or damage to persons or property as a matter of products liability, negligence or otherwise, or from any use or operation of any methods, products, instructions or ideas contained in the material herein. Because of rapid advances in the medical sciences, in particular, independent verification of diagnoses and drug dosages should be made. Although all advertising material is expected to conform to ethical (medical) standards, inclusion in this publication does not constitute a guarantee or endorsement of the quality or value of such product or of the claims made of it by its manufacturer.
