Editorial

809 **Guest Editorial: A Catalyst for Change: Leading the American Dental Association Toward a Brighter Future**

B. Kessler

The ADA's 161st president, Dr. Brett Kessler, discusses his vision for the ADA, built on 3 pillars: promoting wellness, fostering a culture of respect, and integrating oral health within overall health.

Commentary

813 **Commentary: The Changing Face of Dentistry: Why Cultural Humility Is a Practice Builder**

P. Iyer, L. Itaya, B.A. Fa

The authors explore why future practice growth and success will take cultural humility and what it means.

815 **Letters**

A JADA reader explores penicillin allergies.

Articles

816 **Cover Story—Restorations; Investigation: Declining US Dental Amalgam Restorations in US Food and Drug Administration–Identified Populations: 2017-2023**

R. Lamsal, C.G. Estrich, D. Sandmann, K. Bartelt, R.D. Lipman

The authors examine the changes in materials used for caries restorations in molars and premolars in a specific population from 2017 through 2023.

825 **Health Care Reform; Investigation: Innovative State Oral Health Initiatives: A Qualitative Analysis of Centers for Medicare & Medicaid Services Demonstrations**

A. Sheen, M.S. Rubin, B.L. Edelstein

Dr. Sheen and colleagues analyze demonstration programs that address oral health care to identify practices related to their design as well as barriers to and facilitators of their implementation.

836 **Sealants; Investigation: Second Molar Sealants Among US Adolescents and Their Association With Select Sociodemographic Factors and First Molar Sealants: A Cross-Sectional Study Using National Health and Nutrition Examination Survey Data**

S. Naavaal, K. Tatro, C. Scherrer

Dr. Naavaal and colleagues estimate the prevalence of second molar sealants and examine their relationship with sociodemographic factors and the presence of first molar sealants.

845 **Social Media; Systematic Review:** Is the Quality of the Orthodontic Information in Social Media Platforms Reliable? A Systematic Review

E. Gutierrez-Pérez, N. Zamora-Martínez, B. Tarazona-Álvarez, V. García-Sanz, V. Paredes-Gallardo

The authors analyze the quality of the orthodontic-related information available on 2 social media platforms.

858 **Leukemia; Systematic Review:** Oral Manifestations in Pediatric Patients With Leukemia: A Systematic Review and Meta-Analysis

B. Bastos Silveira, L. Di Carvalho Melo, J. Amorim dos Santos, E.B. Ferreira, P.E.D. Reis, G. De Luca Canto, A.C. Acevedo, C. Massignan, E.N.S. Guerra

The authors investigate the prevalence of oral manifestations in pediatric patients with leukemia.

871 **Vaccination; Investigation:** Perceptions of the Role of Dentists in Human Papillomavirus and COVID-19 Vaccinations: Result of a Cross-Sectional Validated Survey of Adults

K. France, M. Faist, D. Kost, Y. Luo, J. Niu, L. Seymour, T. Cadet

Dr. France and colleagues determine the attitudes of community members around dentists as vaccinators.

881 **Orthodontics; Case Report:** Orthodontic Traction of a Deeply-Impacted Mandibular First Molar by a Ramus Miniscrew Through Lateral-Window Technique: A Case Report

Q. Fan, H. Zhou, L. Pu, S. Wen, J. Li, W. Lai, H. Long

The authors present the case of a 10-year-old boy who sought orthodontic treatment with chief symptoms of a missing mandibular molar and maxillary crowding.

893 **Diabetes; Diagnostic Challenge:** Necrotic Palatal Collapse in a 72-Year-Old Woman With Uncontrolled Diabetes

M.C.F. Ribeiro de Assis, L. Lavareze, R.A. de Lima-Souza, A.J.R. Cruz, C.T. Chone, E.S.A. Egal, A. Altemani, F.V. Mariano

The authors ask readers to diagnose the case of a 72-year-old woman with palatal collapse.

899 **Disruption; Innovations of Excellence:** Disruptive Innovation Events in Dentistry

J. Sirko, W. Shi

The authors introduce the idea of disruption as it relates to dentistry.

Continuing Education

A13 **CONTINUING EDUCATION**

JADA's continuing education program highlights declining US dental amalgam restorations in US Food and Drug Administration–identified populations, second molar sealants among US adolescents, and oral manifestations in pediatric patients with leukemia. A JADA Continuing Education worksheet is available on page A13 to give readers the opportunity to review JADA continuing education questions before taking the tests online. For more information on JADA CE Online, visit the CE site at https://engage.ada.org/pages/jadace.
